14. Conditions of Insurance Policy

The insurance provides an indemnity to the hirer in respect of any third party claim arising out of the use of the hired premises. It applies only where legal liability exists and operates where following an accident by a visitor or any person except an employee of the hirer suffers personal injury or damage to or loss of personal property. Claims are payable up to an amount of £2,500,000 for any one incident. Employees of the hirer are covered in respect of damage to or loss of personal property.

The insurance also indemnifies the hirer against legal liability for damage to the hired facility up to an amount of £50,000 or up to £2,500,000 in respect of fire damage. The hirer is, however, liable for the first £100 of each and every claim.
