Wellbeing Ambassador Award

Sponsored by Buxton & District Lions

We are so lucky here at Buxton Community School to have such fantastic students who are always so keen to get stuck into supporting the school community. Each year we offer the year 10 students the opportunity to be part of our amazing 'Well-being Ambassador Team' which is highly respected across the school. Well-being Ambassadors promote a positive caring community and lead on our 'Anti Bullying Ethos' across the school. Their main duties are always to support and nurture our Year 7 students and to run various clubs and activities that help our new students to settle in and feel at home. This year it was far too difficult to choose one person for the award and sadly, their role was cut short with the pandemic and the lockdown of school. We therefore want to celebrate the entire hardworking, inspirational team who will hopefully continue using the skills they have developed, to help others wherever they are. The team were:

Miriam Buston	Maisie Piper	Zoe Todd	Bella Anderson
Isabel Cook	Emily Walwyn	Maddie King	Kira Boneham
